“Recognizing the Contributions of Police Officers to Florida’s Youth”

July 23, 2015

Dear Mr. Evante,

The State of Florida Association of Police Athletic/Activities Leagues, Incorporated (Florida PAL) is pleased to partner with your Good To Go Gang wellness program. The animated wellness videos and materials will help our youth understand how to be more physically fit while having fun. Exercise and good nutrition will help reduce childhood obesity in our youth and this product is a great start.

The wellness of the youth served by all Florida PAL Member Chapters is very important to us and the added benefit of helping our chapters raise some much needed funds in these very tough economic times is definitely a plus.

Florida PAL will assist in distributing information about the Good To Go Gang products to its Member Chapters so that they can start to conduct their own local campaigns as soon as possible.

Florida PAL is excited to become the flagship State PAL partner for the program and will encourage other PAL chapters outside Florida to get involved.

I look forward to working with you so that we are able to improve the lives of our youth.

Sincerely,

L. B. Scott
