Michael Evante
Good To Go Gang, LLC
1901 Harrison Street 200
Hollywood, Florida 33020

Dear Mike Evante,

On the 25th of August 2015, the National PAL Board of Directors approved partnering with the "Good to Go Gang", and look forward to introducing the program across the country.

The partnership with the Good to Go Gang will enhance not only our ability to fulfill the mission, goals and objectives of National PAL, which include strengthening the bond between youth and law enforcement, but it will enhance current healthy and active living programs.

It is our belief that kids that eat healthy nutritious meals and participate in a physically active lifestyle tend to do better in school which enhances self-esteem leading them to be less likely to fall victim to bullying or other negative behaviors and more likely to make healthy decisions.

National PAL currently has over 350 chapters in 46 states, DC, US Virgin Islands, and Nigeria. We will provide information and promote the Good to Go Gang to all of our local programs.

Michael D. Dillhyon
Executive Director
